RECOLLECTIONS OF SCOTLAND NECK 51 YEARS AGO

By Thomas N. Hill

(Continued from yesterday)
When I lived in Clarksville there were no boys of my age; therefore I had to look to Newtown for my playmates and I found them in Henry and Arthur Nichols. Mr. Buck Shields gang of children were much older than I was; so were Herbert Hyman, Weldon Hall, and Tom Fenner, Barnes Hill also. Barnes never was much of a player. Henry and Arthur Nichols and I played together a great deal; we would go swimming in Webb's mill pond and in Dr. Hall's branch, and on the way to the branch we considered it impolite not to visit Mr. Sam Hyman's watermelon patch and swipe a big watermelon which we would "plug" first to see if it was ripe; then we would take it to the creek with us, throw it in the creek and after it was cool we would "bust" it with our fists and eat it. Often, when we would be in swimming, unmindful of danger, some of the big boys, such as Joshua Nichols and Walter Shields, would come along and tie up our little shirt waists and pants into hard knots; to make the knot the harder they would first dip the clothes into the creek, and then tie. No set of teeth in the community could undo the knots and many is the time I had to wait until darkness set in before I could go home and when I did go I had nothing on except what I was born with. We played with goats, of which I had about a dozen; and when we would tire of goats and wanted to be mischievous we would wait till prayer meeting night at the Baptist Church, then we would amuse ourselves by changing wheels on some buggy hitched out in front of the church, or changing the horses; if we would find a stray dog nothing amused us more than tying a can filled with little rocks or shot to his tail and watching him run.

RESULTS THAT REMAIN

Are Appreciated by Scotland Neck People

Thousands who suffer from backache and kidney complaint have tried one remedy after another, finding only temporary benefit. This is discouraging, but there is one kidney medicine that has earned a reputation for lasting results and there is plenty of proof of its merit right here in Scotland Neck.

Here is the testimony of one who used Doan's Kidney Pills year ago, and now makes his testimony even stronger.

L. Wilkinson, blacksmith, Eighth and Church Streets, Scotland Neck, says: "I was bothered by my kidneys and had a lame and aching back. Doan's Kidney Pills, procured at Whitehead's Co.'s Drug Store, regulated the action of my kidneys and relieved the lameness and soreness in my back."

LASTING BENEFIT

Four years later, Mr. Wilkinson said: "I have had no occasion to use Doan's Kidney Pills for the past two years. The cure they made for me has been lasting. Another of my family has used Doan's Kidney Pills for weak kidneys with good results." 60c, at all dealers. Foster-Milburn Co., Mfrs., Buffalo, N. Y.
